

Obsolescence notification

Crolles, 01/09/2018

Objet : End of life - ARF8041AA, ARF8045PA, ARF8047PA, ARF8043AA, ARF8046PA, ARF8048PA

Dear adeunis® customers,

As part of our ongoing strategy for the IoT range of product and following the launch of new products replacing products of the existing range, Adeunis announces, from 31/08/2018, the discontinuation of the listed products:

- ARF8041AA – SENSORS WMBUS 868 soldered battery
- ARF8045PA – SENSORS LoRaWAN EU863-870 soldered battery
- ARF8047PA – SENSORS Sigfox RC1 soldered battery
- ARF8043AA – PULSE WMBUS 868 soldered battery
- ARF8046PA – PULSE LoRaWAN EU863-870 soldered battery
- ARF8048PA – PULSE Sigfox RC1 soldered battery

Last time buy: as of March 1st, 2019

Last date of shipping: depending on product reference. February 28, 2019, some products remain available while supplies last. Please contact your adeunis® sales contact for a possible Last Time Buy.

End of After Sales Service : 01/03/2020 for the entire list of products here-before

Replacement Product:

- ARF8041AA – replaced by:
 - ARF8191FA – ANALOG replaceable battery WMBUS 868
 - ARF8201CA – ANALOG PWR external supply WMBUS 868
 - ARF8171FA – DRY CONTACTS replaceable battery WMBUS 868
- ARF8045PA – replaced by:
 - ARF8190BA – ANALOG replaceable battery LoRaWAN EU863-870
 - ARF8200AA – ANALOG PWR external supply LoRaWAN EU863-870
 - ARF8170BA – DRY CONTACTS replaceable battery LoRaWAN EU863-870
- ARF8047PA – replaced by:
 - ARF8191BA – ANALOG replaceable battery Sigfox RC1
 - ARF8201AA – ANALOG PWR external supply Sigfox RC1
 - ARF8171BA – DRY CONTACTS replaceable battery Sigfox RC1
- ARF8043AA – replaced by:
 - ARF8230EA – PULSE v2 soldered battery WMBUS 868
 - ARF8230HA – PULSE ATEX soldered battery WMBUS 868
- ARF8046PA – replaced by:
 - ARF8230AA – PULSE v2 soldered battery LoRaWAN EU863-870
 - ARF8230FA – PULSE ATEX soldered battery LoRaWAN EU863-870
- ARF8048PA – replaced by:
 - ARF8230CA – PULSE v2 soldered battery Sigfox RC1
 - ARF8230GA – PULSE ATEX soldered battery Sigfox RC1

We remain at your disposal for any further information and please accept our cordial greetings.

Frank FISCHER
Deputy CEO
